Pensions Made Simple: Protection for you and your family

00:07.000 --> 00:10.000

It's good to know that your LGPS pension

00:10.000 --> 00:13.000

will look after both you and your loved ones.

00:13.000 --> 00:17.000

It provides a regular and secure income giving you peace of mind

00:17.000 --> 00:23.000

and helping you enjoy your life the way you want.

00:23.000 --> 00:27.000

Your pension also gives you protection if you become ill.

00:27.000 --> 00:30.000

As long as you have been a member for at least two years,

00:30.000 --> 00:35.000

you'll be able to take your pension early if you have to retire due to your health.

00:35.000 --> 00:36.000

Don't worry -

00:36.000 --> 00:40.000

your pension won't be reduced because you are receiving it early.

00:40.000 --> 00:47.000

In fact, your pension would be increased.

00:47.000 --> 00:51.000

When you die, a pension will be paid to your eligible partner

00:51.000 --> 00:54.000

and any dependent children.

00:54.000 --> 00:58.000

A lump sum death grant may also be paid.

00:58.000 --> 01:04.000

If you die when you are an active member, this will be 3 times your yearly pay.

01:04.000 --> 01:07.000

Make sure you have completed an Expression of Wish form

01:07.000 --> 01:12.000

so that your pension fund knows who you want this money to go to.

01:12.000 --> 01:16.000

Visit the LGPS website for further information about the Scheme

01:16.000 --> 01:19.000

and how to contact your pension fund.

01:19.000 --> 01:23.000
